

OPSOA/PCODE Strategic Plan

MISSION

As Supervisory Officers we lead an equitable and inclusive public education system through advocacy, leadership-focused learning and support for our membership.

VISION

Leading Public Education

PRIORITIES

We champion public education in Ontario.
We advance leadership-focused learning for members.
We support our members.

Strategic Priority

Strategic Actions

We champion public education in Ontario.

Build collaborative relationships with other countries, provinces and organizations.
Advocate to shape provincial initiatives and for the role of the Supervisory Officer.

We advance leadership-focused learning for members.

Develop professional leadership endeavors to meet the needs of the newly appointed and experienced members.

We support our members.

Provide multi-level assistance to all members.
Facilitate professional networks among Supervisory Officers.
