STRATEGIC PRIORITY

STRATEGIC ACTION

We will develop the leadership capacity and skills of all members

- Support regional and provincial professional networks.
- Provide opportunities for professional growth through coaching and leadership development for all members.
- Provide mentoring opportunities for all new members.

We will strengthen participation and engagement in OPSOA / PCODE

- Complete a review of the organizational structure of OPSOA / PCODE, including the current constitution and bylaws to identify changes, which will enhance opportunity for participation.
- Review current regional structures to ensure continued engagement and relevance.
- Initiate a social media strategy that engages OPSOA / PCODE members in emerging global education thinking connecting with other educational partners.

We will influence and shape education policy and practice in Ontario

- Develop key strategic messages for OPSOA / PCODE to advocate with one voice on critical and emergent issues.
- Establish a strong and credible media presence highlighting OPSOA / PCODE's commitment to a fully inclusive public education system.
- Strengthen relationships with other professional organizations.
